Deadline: Friday, April 1 – 3:00 PM

Each year the Art Department awards bursaries in honour of the late Angus F. Macgillivray: a sculptor of wood and a former member of the department. Many of his artworks were designed for the StFX community. He is most well-known for his “*Stations of The Cross*” which hang in the university chapel.

Three \$750.00 bursaries are available in 2022. These will be awarded based on a portfolio submission to a three-member jury.
