

Bachelor of Education Class of 2024 **Welcome Letter**

June 1, 2022

Welcome to the Bachelor of Education program at StFX. We hope this two year journey towards becoming a teacher will be exciting and fulfilling for you and we look forward to helping you develop professionally. Below is a brief summary of the registration related documents which are posted on-line. To access these documents, refer to the page entitled Registration Instructions for BEd students (enclosed). Please try to complete online registration as soon as possible after it opens as certain courses may have limited enrollment, so the earlier you register the better.

1. **Registration Instructions for BEd Students** Online registration will begin on **June 21, 2022**. Refer to the Registration Instruction sheet for information on accessing your registration time. (Please note at the bottom of the registration instruction document, contact information for assistance with registration).
2. The **Course Registration Number (CRN) sheet** includes necessary information for choosing courses. Please use the CRN sheet which applies to your specific year and program, for example, Year 1 Elementary or Year 1 Secondary.
3. A **Description of Electives**, in addition to required courses, secondary students complete one elective each semester in Year 1 with the exception of French and Phys Ed students who complete their electives in Year 2 of the program. All elementary students will complete their electives in Year 2 of the program.
4. A copy of the **Fall and Winter Timetables**. Please use this timetable to note the time and location of each of your courses. **DO NOT** use the timetable generated by Banner/mesAmis as it does not accurately reflect your course times. Remember, our 4-day class schedule allows students time for independent reading, research, and reflection. Friday is not a day off - scheduled PD days and selected classes are identified on both the fall and winter timetables. With the first PD day being Crystal Cliffs on Wednesday, September 7, 2022, attendance is mandatory. **Please note that the timetable may change slightly due to student conflicts and may not be finalized until August. The most current schedule may be found on the website at http://sites.stfx.ca/education/bed_current_students/timetables.**
5. The **Student Calendar of Events for 2022-23**. Includes information on important dates throughout the academic year. **Orientation begins on Wednesday, September 7th in the courtyard outside Xavier Hall at 8:30. From there, students will be transported to Crystal Cliffs for a full day of activities. A second day of registration and orientation occurs on Thursday, September 8th at 8:30 AM in the courtyard of Xavier Hall.** Classes begin at 8:15 AM on Monday, September 12th. BEd classes are scheduled from Monday to Thursday from September 12-November 8, and January 11-March 9. Semester 1 is followed by a **one day compulsory** synthesis period, called Building Bridges. Semester 2 is followed by a compulsory event called the Annual Council. Please refer to the Calendar of Events for specific dates related to field experience. **Do not plan travel or other personal engagements prior to these dates. All student attendance concerns must be brought to the Chair of the BEd program.**
6. A **BEd Student Executive** profile and other information from our Student Executive, including information on Crystal Cliffs.
7. Information on **Academic Fees**.

Schedule of Registration & Orientation Events, Thursday, September 8th (attendance is mandatory)
