

Year 1 Secondary

Course Registration Number (CRN) Sheet

All compulsory courses in Year I Secondary have been pre-registered for you by the School of Education. Please note that for French and Physical Education students **ONLY**, additional compulsory courses are required. Students in French have been enrolled in 459 and 460. Students in Physical Education have been enrolled in 425A and 425B.

All students have been registered in required Curriculum and Instruction Courses, a Principles and Practices course, Sociology of Education and Inclusion I, as well as two Internships.

Electives: French and Physical Education students have no electives in the first year. All other students must register in one elective in fall and one in winter. Any Secondary students who wish to take an overload or to discuss their options should contact Garnet Patterson, B.Ed. Program Manager, (gpatters@stfx.ca).

Please note that there are seats in other specific subject area methods courses if any students wish to expand their qualifications. Anyone who would like to discuss this should contact Garnet Patterson, B.Ed. Program Manager, (gpatters@stfx.ca) to investigate possible options.

Please note that any elective course may be cancelled due to insufficient enrollment!
