

Year 2 Elementary **Course Registration Number (CRN) Sheet**

All compulsory courses in Year II Elementary have been pre-registered for you by the Faculty of Education. Please note that for French and Physical Education students ONLY, additional compulsory courses are required. Students in French have been enrolled in 428A and 428B. Students in Physical Education have been enrolled in 444 and 457.

All students have been registered in Assessment, Contemporary Issues in Public Education and Inclusion II, as well as two Internships.

Electives: French and Phys. Ed students must register in one elective in the winter term. All other Elementary students must register in three electives, one in the fall and two in the winter term. **PLEASE NOTE: Departmental regulations require all Elementary students to take at least one course from Fine Arts or Physical Education.** Anyone wishing to take an overload should contact Garnet Patterson, B.Ed. Program Manager, (gpatters@stfx.ca) to make arrangements.

Please note that any elective course may be cancelled due to insufficient enrollment!
