

Year 2 Secondary

Course Registration Number (CRN) Sheet

All compulsory courses in Year II Secondary have been pre-registered for you by the Faculty of Education. All students have been registered in Assessment, Contemporary Issues in Public Education and Inclusion II, as well as two Internships. All students with the exception of French and Phys Ed have been enrolled in their second teachable area. Students taking both French and Phys Ed have had both sets of required curriculum courses pre-registered.

Electives: French students may enroll in one elective in fall and two electives in winter. Phys Ed students may enroll in one winter elective. Students taking both Phys Ed and French have a full schedule. All other students must register in one elective in fall and one in winter. Any Secondary students who wish to take an overload or to take an additional methodology course from a different subject area should contact Garnet Patterson, B.Ed. Program Manager, (gpatters@stfx.ca) to make arrangements to add a course.

Please note that any elective course may be cancelled due to insufficient enrollment!
